

MINERS HONOR THEIR LEADER

Mitchell Day Celebrated in the Anthracite Region.

SPEECH OF THE PRESIDENT

UNION MEN PRAISED FOR THEIR PART IN GREAT STRIKE.

WILKESBARRE, Pa., Oct. 29.—"Mitchell day" was celebrated in all the principal towns of the anthracite coal region today, and in order that all the mine workers might have an opportunity to participate in the exercises, the mines were closed. The principal demonstration was held in this city, and President Mitchell took part. There was much fine weather during the day, but the chanceable weather did not keep an army of strangers out of town. Every body was a John Mitchell barker. The procession started shortly before noon, and was nearly one hour in passing a given point. It is estimated that there were 10,000 men in line. The parade was headed by a platoon of police. Then came the chief marshal, National Organizer John Fallon, who was followed by carriages containing the principal officers of the United Mine Workers' organization and invited guests. President Mitchell was given an ovation all along the line of march, and whenever his carriage stopped the crowd from the sidewalk pressed around and insisted on shaking his hand. An American flag was carried at the head of every "line," and brass bands by the score furnished music.

Boys Carried Banners.
The banners carried bore many inscriptions. Some of them read as follows:

"For arbitration we hope to gain our just demands."
"Unity and friendship make peace."
"God bless our country and our Union."

"We honor and respect our presidents, Roosevelt and Mitchell."

After the parade a big mass meeting was held at the Y. M. C. A. park. The first speaker was Rev. J. F. Powers of Springfield, Ill. He said he had known John Mitchell since boyhood, and had always found him noble and upright. He was delighted, he said, to see the great tribute paid him by the hard coal miners.

Thomas Haggerty of Reynoldsville, Pa., who was down on the programme as the principal speaker of the day, eulogized Mitchell as a great worker in behalf of the miners. Several addresses in foreign languages then followed.

Mr. Mitchell's Speech.

President Mitchell was the last speaker. He said, in part:

"Language is inadequate to express the gratitude I feel for the great reception I have received at the hands of the anthracite miners, and I feel that the victory is not to me myself, but the men, women and children who made such great sacrifices. I hope that they will never again be a strike in the coal fields of this country. I want the union miners to prove that they are better workmen than the non-union men. I desire the men and the operators to meet, and to want to make enemies of the operators. In closing, I wish to impress upon you that membership in the union is the only safeguard. The operators are going to pay the bill of the strike. They will make the workers pay it if they can, but if not they will make the public pay it. I do not want to see any more strikes, and I do not want to see any more men made the victims, and I hope you will be true to yourselves and to one another and see to it that the cause of this greatest labor struggle that has ever occurred is not placed on your backs. Stick by your union, and the union will stick by you."

Mr. Mitchell was busy tonight completing his plans for the first session of the arbitration board at its meeting in Scranton tomorrow. Professor Well is assisting Mr. Mitchell in preparing his case for presentation, as also is Dr. Peter Roberts of Mahanoy City, an authority on the hard coal industry. Professor Roberts has received a degree from Yale college for writing a book on the anthracite coal industry.

OUTRAGE AND MURDER

Three Girls in Arkansas Butchered—Posse in Pursuit of Fiendish Perpetrator.

Wynne, Ark., Oct. 29.—Mary, Sophie and Minnie Gibson, aged 12, 12 and 10, respectively, daughters of Thomas Gibson, a prominent negro farmer, were killed and one of them was the victim of a criminal assault at their home near here. A posse composed of whites and negroes is now on the track of the murderer. The murders occurred while Gibson was away. When he returned all three were dead.

The bodies of two of the girls, with their heads crushed, lay in the house, while that of the third girl, terribly mutilated, was found in the yard. The victim had been subjected to the most atrocious indignities.

David Cross, an old negro, was arrested and confessed he had witnessed the killing, which, he declared, was committed by a negro named John. Later Cross confessed to the triple murder and outrage and was placed in jail. Late tonight a mob composed exclusively of negroes formed with the avowed purpose of taking over the town from the officers by force and hanging from the gallows the bodies of the three girls. The mob, however, was dispersed by the sheriff and his deputies, becoming alarmed at the increasing proportions of the mob, spirited Cross into the woods, where they are now in hiding.

TERRIBLE ACCIDENT

NEAR PHOENIX, ARIZ.

Denver, Oct. 29.—A special to the News from Phoenix, Ariz., says: An outgoing combination train of the Maricopa & Phoenix railroad, designed to connect with the Southern Pacific at Phoenix, was wrecked on a bridge ten miles from Phoenix tonight. The engine, tender and two cattle cars fell sixty feet through a weakened span of the bridge crossing the Salt river. An unknown Indian riding on a cattle car was killed, and Frank Goodrich, fireman, fatally injured. One passenger coach was partially wrecked and hanging over the wrecked span of the bridge. There were more than a score of passengers in the four coaches and Pullman. A large number of cattle were killed.

DIVORCE AND DEATH.

Topeka, Kan., Oct. 29.—C. W. Hooper today shot and killed his wife and then killed himself. Both were dead when found. The woman clutched a divorce decree, which awarded her the custody of their four children. The shooting occurred in the hallway above the house. The couple had just emerged from a lawyer's office when Hooper fired three shots at his wife, all of which took effect, and then turned the weapon on himself. Hooper was 46 years of age and his wife about 29.

REWARDS FOR THE FATHER

Thousands of Postmasters Were Appointed Last Year.

REMOVALS WERE NUMEROUS

ANNUAL REPORT OF FOURTH ASSISTANT J. L. BRISTOW.

Washington, Oct. 29.—A total of 2,270 presidential postmasters were appointed last year, according to the annual report of J. L. Bristow, fourth assistant postmaster general, issued today. This is the largest number appointed in any one year in the history of the post office. The increase was due mainly to the expiration of commissions during the year and the advance of many fourth-class offices to the presidential grade. The total number of appointments of postmasters of all classes was 16,750, an increase of 1,313. There was a slight increase in the number of removals of postmasters, for as a result of a strict discipline for carelessness and irregularities. There were 3,053 postmasters established and 4,059 discontinued, the latter being the result of removals for carelessness and irregularities. The rural free delivery service and the consolidation of postoffices adjacent to large presidential offices. The number of postoffices in the United States June 30 was 25,594, of which 2,000 were first-class, 1,023 second-class, 3,488 third-class and 17,193 fourth-class.

The report shows that burglaries of postoffices and robberies of mail boxes are on the increase. Arrests and conviction for all offenses have materially increased. There were 1,746 robberies of postoffices, eleven robberies of mail trains, sixteen of mail passengers, star route carriers and wagons, and 465 of letter boxes. Of the total of 1,271 persons arrested for violating postal laws, 394 were connected with the postal service, including 112 postmasters.

The administration of postal affairs in Cuba is commended as economical and efficient. The total revenues of the service in Cuba from the beginning of the last fiscal year to May 19, when the island was turned over to the new government, were \$33,916. Compared with the previous fiscal year the revenues increased \$12,000, and the expenditures decreased \$20,000, a decrease in the deficit being over 50 per cent.

Mr. Bristow renews his recommendation that a law be enacted requiring assistant postmasters, carriers and other employees to give bonds to postmasters direct, and that postmasters be held responsible under their own bonds for all acts and defaults at their offices.

An appropriation is asked for the construction of "lookouts" for inspectors of mail postoffices, which are needed in the opinion of the postmaster. An amendment of the interstate commerce law is urged to prohibit telegraph or express companies or their employees from aiding in the great root robbery swindles or similar schemes carried on partly by mail and partly by common carriers.

ALL WANT TO RING IN

Naval Captains Ask That Their Names Be Substituted in Prize Money Case.

Washington, Oct. 29.—The question of substituting some other name for that of Admiral Sampson in the case of the United States versus William T. Sampson, rear admiral, which was suggested by Chief Justice Fuller in the United States supreme court last Monday, came up in the court again today, when James H. Hayden, counsel for the defendants, submitted a petition by Mrs. Sampson, as administratrix, and also one by Rear Admiral Sampson, Taylor and Cotton, Captains Chadwick and Eaton, Commander Lucien Young and Lieutenant Commander Alex Sharp, Jr., that their names be substituted as parties to the case in place of Admiral Sampson, deceased.

The case involves the distribution of prize money growing out of the capture of the Spanish cruiser Infanta Maria Teresa, and in the course of Monday's proceedings the chief justice took occasion to remark that the name of Admiral Sampson or some one else might be substituted.

CONFESSED TO THE

MURDER OF LATIMER

New York, Oct. 29.—A young man describing himself as William J. Johnson, of 44 North Eighth street, Philadelphia, entered the Greengarden police station tonight and said he desired to surrender himself as the murderer of Albert C. Latimer, who was apparently shot by a burglar, in his home in Hancock, Brooklyn, on the night of July 2 last. The man said that he surrendered because he was stricken with remorse and was weary of wandering about the country. He was locked up and will be arraigned tomorrow morning.

SAVED FROM POTTER'S FIELD.
Baltimore, Oct. 29.—The body of Arthur Spencer, the noted convict, who committed suicide in the Maryland penitentiary on Thursday, was buried today in the Western cemetery, the expenses having been paid from a fund raised by his fellow convicts. In this way the body was saved from the potter's field.

MOLINEUX'S ATTORNEYS MADE ANOTHER

POINT FOR THE ALLEGED MURDERER

New York, Oct. 29.—The prosecution in the Molineux case rested today after the defense had secured an important advantage in the decision by Justice Lambert that the reading of the testimony given at the first trial by Mammie Meland, the alleged accomplice, which was beyond the jurisdiction of the court, was inadmissible.

The greater part of the session was devoted to the examination of a handwriting expert, who, like all those who have preceded him, testified that one hand wrote the poison package address, the Barnett and Cornish letters and letters admittedly written by Molineux. The presentation of the case for the defense is expected to occupy more than two days, and interest centers in the question whether Molineux will testify in his own behalf.

Justice Lambert today, at the resumption of the trial of Roland E. Molineux, announced that he had decided to exclude the testimony of Mammie Meland and Joseph Farrell, given at the last trial of Molineux, which the prosecution wished to have read to the jury. Both of these former witnesses live in New Jersey, outside the jurisdiction of the court, and the proceedings in the case yesterday closed with arguments on the point of read-

FIGHT AGAINST THE FOREIGN CRUSADE

General Anti-Foreign Crusade Started in Morocco.

BADITS INFEST THE ROADS

MISSIONARIES CONSIDER THE SITUATION AS VERY GRAVE.

IBRAHIM, Oct. 29.—In view of the disturbed condition of the interior of Morocco, considerable interest was manifested today in the departure of Commissioner Landerman of the St. Louis mission, who is returning to Tangier and Fez to enlist the interest of the sultan of Morocco and secure an important Moroccan exhibit at the fair. The fact that Mr. Landerman is vice consul general at Tangier and that he is familiar with Morocco and the friend of influential officials enhances his chance of success.

The latest reports from the interior indicate a state of serious unrest, which it is believed may break out into a rebellion and an attempt to install Mulla-Mohammed as sultan.

The present sultan, Mulla-Abd-El-Aziz, has incurred the enmity and suspicion of his subjects by the introduction of modern inventions, including telephones, automobiles and a narrow-gauge railroad.

A letter received from George C. Reed, a Kansas missionary, indicates that numerous interior tribes have broken out. The roads, it is added, are infested with bandits, and travel is decidedly unsafe, native sentiment taking the form of a general anti-foreign crusade. Fanatics have torn up the survey flags marking the line of the sultan's railroad, declaring that they were emblems of foreign suzerainty over Morocco. Mr. Reed continues:

"I may say I consider the situation grave, indeed. If the sultan is able to call the loyal tribes to his aid quickly and thoroughly punish the rebellious tribes, the situation may be quieted, and the recent raids and robberies, he will make his position all the more secure. But if he does not succeed in doing so, the trouble is bound to intensify. If I were in Morocco merely for my health, I would make for the coast as soon as possible, though at present we are as locked up in Mequinez as rats in a trap."

The English missionary, Mr. Cooper, who was murdered at Fez, and whose order, by order of the sultan, was seized and shot in front of the mosque where he had sought refuge, wrote shortly before his death, taking a more optimistic view, which was so tragically disappointed.

RIOTS AND SHOOTING

Last Day of Registration in Porto Rico Productive of the Greatest Disorder.

San Juan, P. R., Oct. 29.—Incomplete returns from various parts of the island regarding the last registration day yesterday confirm the reports that riots and shooting occurred in many towns and violence was used everywhere. The rumor that the federals are shut out of San Lorenzo, where a second election is to be held, is the result that two of the rioters were killed, and many, among whom were three policemen, were desperately wounded, is also confirmed. It is added that the police did not let him out of the house at the head of the procession.

The police attempted to disperse the participants in a fight at Patillas, a town in the south, where a large mob of republicans from Guayama, which forcibly took possession of the booths, shut out the federals and ordered the whole of the Guayama non-residents.

In the shooting which followed four men were badly wounded, including Corporal Spero of the insular police. A police sergeant was killed, and there were no casualties. Minor disorders, stabbings and other wounds have been reported from other towns.

New and imperative instructions had been issued by the government for yesterday's registration, but they were generally disregarded by the election judges. The federals were not permitted to register, and were forcibly kept out of the booths.

Practically there was no federal registration throughout the island.

SENATOR CLARK WINS.
(Special to The Herald.)
Butte, Mont., Oct. 29.—The supreme court of Montana at Helena this afternoon administered a knockout blow to the Democratic pretensions of F. Aug. Heinze by denying his ticket a place on the official ballot of Silver Bow county. The court voted unanimously to grant the petition of M. P. Gilchrist for an injunction restraining the county clerk of Silver Bow county from publishing the Heinze ticket, and directing him to place the regular Clark ticket on the ballot. It is considered a great victory for Senator Clark and the Democrats, who have been fighting Heinze throughout the county and state are delighted. Heinze's fusion nominees still appear on the ticket under the Labor and Populist headings.

JUDGE POWERS CALLS ATTENTION TO IMPORTANT OFFICE.

To the Salt Lake Herald:
In the discussion concerning the fitness of candidates for the county and state offices, the people are liable to overlook a very important office to the citizens of Salt Lake City, and that is the office of constable for this city precinct. Under the present judicial system of this city that office has become of great importance, and, as I shall not have an opportunity of addressing the people of our city in public meetings, I want to urge the election of the Democratic candidate, Mr. B. Y. Golding, as strongly as I can. I have known him for many years and have done business with him as a public official; I have always found him to be courteous, faithful and honest, and he certainly is exceedingly well qualified to fill the position for which he is nominated.

I call attention to this matter because, as a lawyer, I am particularly interested, and yet not more so than the people of the city should be, in securing a well qualified man for the position. Very truly yours,
O. W. POWERS.
Salt Lake, Oct. 29.

MONDAY'S THEATRE MEETING.

Unique Features Scheduled For Democratic Rally.

Major Richard W. Young and Judge W. H. King, as well as ex-Senator Frank J. Cannon, will speak at the Democratic rally in the Salt Lake theatre next Monday evening. A seat perhaps two seats, to show greater regard than was exhibited by the Republicans, will be reserved on the stage for Senator Thomas Kearns.

Chairman Noble Warrum, Jr., of the Salt Lake county committee will call the meeting to order, and the permanent chairman will probably be Mr. Cannon.

It is expected that the Theatre mass meeting will be, outside of the Bryan campaign, the largest and most interesting of the campaign. There is a hint of a departure from the usual hackneyed methods of campaign mass meetings and the introduction of some interesting features.

There will be music between the speeches.

MEETINGS TONIGHT.
Frank Cannon and Major Young in Park City.
Ex-Senator Frank Cannon and Major Richard W. Young will speak in Park City this evening, and with two such orators billed, a splendid meeting is expected. There is no more eloquent man in the state than Mr. Cannon.

Judge H. P. Henderson will speak in Weber county. O. F. Whitney will talk in Bountiful. Judge William H. King will speak in Ogden, and Mr. Thomas and Judge W. N. Dusenberry will speak in Sanpete county. J. S. Fowler, W. E. Rydahl, C. C. Evans and William O'Neill will be heard in Carbon county. Joshua Greenwood will discourse on Democracy in Wayne county.

Democratic state committee is having difficulty in securing speakers enough to hold all the meetings desired. The Democratic enthusiasm exerts the supply of orators, but the committee is doing its best to fulfill all demands.

HOWELL'S THREE SPEECHES.
Will Talk Thrice in Salt Lake City Tonight.
Candidate Joseph Howell this evening will make his sole appearance in Salt Lake City during the campaign. The county committee has concluded not to place him in the same class with Kearns as one of the "to-be-gagged-if-politically-correct" kind, but to let him speak this evening in three meetings. He will talk in the Twentieth ward amusement hall on South Main street, in the evening, in the building at Seventh South and Seventh East streets, and in Christensen's hall. C. F. Fishbank will be a speaker at the Exposition building.

A Republican meeting will be held also in the Fifth ward meeting house on Third West, near Seventh South street. George L. Nye and Thomas Hull will be the speakers there.

FRAUD REPORTS ON REGISTRATION

Dead and Aliens Figure in Down Town Districts.

EVIDENCE IS COLLECTED

PREPARATIONS TO ARREST ALL ON ELECTION DAY.

EVIDENCES of fraud on the part of Republican workers on registration day are coming to light. Reports were made yesterday at Democratic county headquarters of a number of instances where, it is stated, "repeaters," dead men, aliens and persons disqualified by the short period of their residence in Salt Lake, were placed on the rolls by Republican registrars.

In the Fifty-second district, downtown, for example, it is claimed that Julius Goldberg, the Republican registrar, placed on the list a large number of names of non-residents and of persons living and voting outside the precinct. He has already begun to tell conflicting stories. Tuesday evening he reported at Republican county headquarters that he had added 129 names to the roll that day. Yesterday he turned in his list to Democratic headquarters, but only 12 new names. This is not the only discrepancy discovered in the district.

When election day comes a close watch will be kept, and arrest will be made if the Republicans try to vote men under the fraudulently registered names.

From the Eleventh district it is reported that 120 colored men placed their names on the rolls and then did the same in an adjoining district. In the Fourth a couple of men started to register at the house of the Kearns Smoot workers, but were frightened out of it by the knowledge that they were watched and that arrests for perjury were likely to follow.

There were numerous other reports of flagrant violations of the law, which will be thoroughly investigated. The attention of Dennis Eichner, the Republican county chairman, who is also district attorney, were called to these violations of the law, last evening, but he disclaimed all responsibility.

KEARNS IS INSISTENT.

Senator Demands Chance to Speak in Salt Lake.

Goaded to desperation by fibes, Senator Thomas Kearns has served notice on State Chairman J. H. Anderson and County Chairman Dennis Eichner, that he will speak in Salt Lake City, and that, by everything that's holy, he will insist on sitting on the platform and speaking in a meeting in Salt Lake City.

Readings have been in vain. The senator has been jockeyed by his friends and others over the fact that the Republican managers are so ashamed of him they will not let him out of the city in Salt Lake, and now he has taken the bit in his teeth.

"I shall speak, and nobody will stop me," he declared, and nobody shall stop me," he repeated, with a change in the verbs.

Then his advisers and the campaign managers threw up their hands. "He is the boss," they said, "and I suppose we shall have to do as he says, if he won't be persuaded."

He is the boss, they said, "and I suppose we shall have to do as he says, if he won't be persuaded."
